September 2021 – October 2021

Update from President Mike

My last update was in May's newsletter. The warmer weather is not far away and it's an incentive to think about more outdoor events. The 25th TUAC celebrations are well in progress thanks to the enthusiasm and commitment of Gary Antiss and the team on the subcommittee. I urge everyone to support this memorable and significant event. We are also planning on Sunday 31st October a guided tour of the Maritime Museum and sailing excursion on the Ted Ashby. This will make a more complete weekend to coincide and celebrate with our 25th birthday. Details in this newsletter.

Also, put a circle around 6th March 2022. Phil Sai Louie and I are planning an interclub TUAC v OAC Sunday morning quiz competition and with a foot rally or treasure hunt after. Details will be inserted into the newsletter soon.

Unfortunately, we are now back in Lockdown Level 4. At the time of typing this to you, it is unknown if the Lockdown will continue or be reduced. Frustrating for all of us. I was thinking how lucky we were so far to avoid a lockdown, considering the variant is rampant in Australia. So, expect delays or postponements of some events that may occur. Now we have restrictions on travel for overseas holidays, that's a good encouragement to participate in a variety of upcoming events.

THE BIG BIKE FILM NIGHT FEATURE SERIES SOUTH – THE TOUR TE WAIPOANAMU STORY

Academy Cinema, 44 Lorne Street, Auckland CBD

Friday 3rd Sept 6pm to 8pm

Brought to Auckland by The Big Bike Film Night organiser, this documentary explores what bikepacking is, and what it means to those who ride the Tour Te Waipounamu, a 1300+ kilometre race through some of the South Island's most scenic but harsh landscapes.

Born out of the pandemic, The Tour Te Waipounamu is the newest, and arguably the toughest bikepacking event on the New Zealand calendar.

Kiwi Director Rob Dawson explores what bikepacking is, and what it means to those who ride the TTW, from Cape Farewell in Golden Bay to the southernmost tip of the South Island at Slope Point, showcasing backcountry New Zealand through some of the most rugged and spectacular country that Aotearoa has to offer, much of it privately owned and normally inaccessible.

So listen to the voice inside you; it's telling you to go. Grab your mates, grab your tickets AND come along for the ride. Check out the preview on:
